

# SWR-300 WAX-RESIN NEAR EDGE RIBBON ON FLEXIBLE PACKAGING BY SATO

## APPLICATIONS

Healthcare

Retail

Pharmaceutical

Produce

Flexible Packaging

## FEATURES

Low printhead energy

---

Abrasion resistance

---

Print flexibility

---

High density print

---

High speed

---

Anti-static printhead saver coating for printhead protection

---

# TECHNICAL INFORMATION

## SWR-300

### RIBBON PROPERTIES

<b>Ink</b>	Wax Resin
<b>Colour</b>	Black
<b>Thickness</b>	<8.0µm
<b>Carrier</b>	4.5µm Polyester Film
<b>Ink Melting Point</b>	70°C
<b>Optical Density (transmission)</b>	>0.80
<b>Optical Density (reflective)</b>	>1.60
<b>Maximum Print Speed</b>	800mm/s

### PRINTING SUBSTRATES

<b>Papers</b>	Uncoated, Coated, Card
<b>Synthetics</b>	Polyester, Polyethylene, Polypropylene, PVC
