Clear & Efficient Labelling with Big & Bold Characters

The **JUDO XL** large print model complements SATO's JUDO and KENDO range of hand labellers.

JUDO XL has the ability to print one line in bold alphanumeric characters with a font height up to 7.6mm.

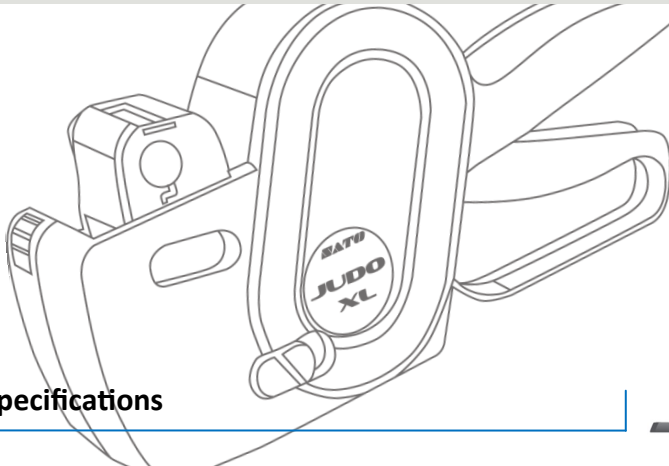

Bold characters provide enhanced readability, making this hand labeller exceptionally suitable for sales promotion and coding requirements.

Prints bold alphanumeric characters in either black or red with the option to choose between three label types, wavy, rectangular or die cut.
