

Clean & Efficient Labelling with Big & Bold Characters

The **JUDO XL** large print model complements SATO's JUDO and KENDO range of hand labellers.

JUDO XL has the ability to print one line in bold alphanumeric characters with a font height up to 7.6mm.

Bold characters provide enhanced readability, making this hand labeller exceptionally suitable for sales promotion and coding requirements.

Prints bold characters in either black or red with the option to choose between three label types: wavy, rectangular or die cut.

Print font improvement - Larger font size up to 7.6mm

High-quality printout, enhances readability

Reduction in read-depth distance

Open, large character view

Wide open path for label loading

Clean open path for easy label loading

One-touch, easy-load ink roller

Convenience of loading ink roller with no mess

Uniquely designed print band mechanism

Eliminates ink smudging
